MRO Team Converts Passenger Aircrafts To Cargo

In line with Ethiopian Strategic move in overcoming the challenges that we faced as a result of the COVID-19 Pandemic, Ethiopian MRO Services has converted 22 passenger aircrafts to enable them carry Cargo shipments. It is well known that many passenger aircrafts have been on ground because of COVID-19 and Ethiopian has lost millions of dollars in revenue since then. Instead of waiting for our government to subsidize the company like many other Airlines do, the MRO team took the initiative, designed and changed passenger aircrafts to Cargo.

Secretary Pompeo 

@SecPompeo

Pleasure to speak today with Ethiopian Prime Minister [@AbiyAhmedAli](#) and thank him for [#EthiopianAirlines'](#) support returning [#AmericansHome](#). Grateful for our relationship as we work together to combat the ongoing public health emergency and address complex regional issues.
