# How to join a meeting in Teams

Teams meetings are best when you join them from the Teams app on your device or Teams on the web. Beloware the most common ones used in our environment now .

#### 1. Join by link

All you need to join a Teams meeting is a link.

Select **Join Microsoft Teams Meeting** in your meeting invite to be taken to a page where you can choose to either join on the web or download the desktop app. If you already have the Teams app, the meeting will open there automatically.

### 2. Join from Calendar

Select **Calendar** in on the left side of the app to see your meetings. Find the meeting you want, and then select **Join**.

|          | <u> </u> | <u> </u>   |  |
|----------|----------|--|--|
| Calendar |          |  |  |
|          |          |  |  |
|          |          | Marketing meeting<br>Microsoft Teams Meeting Gra |  |
|          |          |  |  |

Or, if someone starts the meeting, you'll get a notification you can use to join. For more details, go to
